2. INVESTMENT OBJECTIVE AND STRATEGY

2.1. Objective

The Prime Global ESG Equity Fund is a global equity fund that aims to achieve long-term capital growth by gaining exposure to companies with high ESG scores across developed and emerging markets.

2.2. Fund Universe

The stock selection process is underpinned by rigorous fundamental valuation techniques targeting companies with superior revenue exposure to social impact and sustainable Impact solutions.

The Fund may utilise financial derivative instruments (options, futures, forwards, and swaps including total return swaps) for efficient portfolio management purposes. Derivatives may be traded on a recognised exchange or over the counter. The Fund may not hold more than 10% of its net asset value in derivative instruments.

2.3. Investment Strategy

To achieve its objective, the Fund may invest either directly or indirectly through investment in exchange traded funds or via the use of derivative instruments within the limits of the prudential guidelines.

The Fund may enter into currency hedging, unlisted forward currency transactions, interest rate transactions and exchange rate swap transactions for efficient portfolio management only, but shall not otherwise enter into hedging or derivative transactions.

2.4. Investment Limitations

The Fund may not invest in:

- a) Unlisted financial instruments;
- b) Unregulated collective investment schemes;

- c) Hedge funds;
- d) Any fund that allows for gearing;
- e) Any other unregulated pooled investment vehicle;
- f) Real estate property or a mortgage;
- g) Security, other than a debt security issued by the Government of Mauritius or the government of any other country, collective investment scheme and/or listed exchange traded fund, if immediately after such purchase, more than 5% of its net assets, taken at market value at the time of the purchase, would be invested into securities of that issuer;
- h) Physical property or physical commodities, including precious metals;
- i) Any security for the purpose of exercising control or management of the issuer of that security;
- j) The security of an issuer, immediately after the purchase, the Fund would hold more than 10% of a class of securities of that issuer;
- k) Any instrument that compels the acceptance of physical delivery of a commodity;
- l) OTC Instruments; and
- m) Synthetic Instruments.

The restrictions apply as at the date of the relevant transaction or commitment to invest.

Changes in the portfolio of the Fund do not have to be effected in relation thereto merely because, as a result of appreciations or depreciations in value, redemptions or by reason of the receipt of, or subscription for, any rights, bonuses or benefits in the nature of capital or of any acquisition or merger or scheme of arrangement for amalgamation, reconstruction, conversion or exchange or of any redemption, any of the restrictions would thereby be breached, but regard shall be had to these restrictions when considering changes or additions to the portfolio.

If any of the above investment restrictions are breached, the Investment Advisor shall as a priority take all steps as are necessary within a reasonable time to remedy the situation, taking into account the interests of the shareholders.

Where the Fund breaches the limits set out in this document due the appreciation or depreciation in the market value of the equity securities in the Fund, the Manager may not purchase any further equity securities issued by that concern for as long as the market value of an equity security in any particular concern exceeds the limit specified in this document.

2.4.1. Investment Practices

The Fund shall not:

- (a) Borrow money or provide for the creation of any encumbrance on its assets except in the two following situations:
 - (i) the transaction is a temporary measure to accommodate requests for the redemption of securities of the Fund while the Fund effects an orderly liquidation

of its assets, and, after giving effect to the transaction, the outstanding: amount of all borrowings of the Fund does not exceed 10% of the net assets of the Fund taken at market value at the time of the borrowing;

- (ii) the encumbrance secures a claim for the fees and expenses of the Custodian or a sub-custodian for services rendered in that capacity;
- (b) Subscribe to securities offered by a company under formation;
- (c) Engage in the business of underwriting or marketing securities of any other issuer;
- (d) Lend money, securities or other assets;
- (e) Guarantee securities or obligations of another person;
- (f) Purchase or sell securities other than through market facilities where these securities are normally bought and sold unless the transaction price approximates the prevailing market price or is negotiated on an arm's length basis;
- (g) Purchase a security from, or sell a security to, one of the following persons:
 - (i) the CIS Manager or the Custodian;
 - (ii) an officer of the CIS Manager or the Custodian;
 - (iii) an affiliate of a person referred to in subparagraphs (g)(i) and (ii), unless the purchase from or sale to the affiliate is carried out at arm's length.
- (h) Engage in short selling and / or scrip borrowing; and
- (i) Lend, assume, guarantee, endorse or otherwise become directly or contingently liable for or in connection with any obligation or debt of any person.

2.4.2. Investment in Other Collective Investment Schemes and / or Listed Exchange Traded Funds

The Fund intends to invest in other foreign collective investment schemes.

The Fund shall not purchase an illiquid asset if, immediately after the purchase more than 10% of the net assets of the collective investment scheme, taken at market value at the time of the purchase, would consist of illiquid assets;

The Fund has applied for and obtained exemption from Regulations 68(2) and 68(3) of the Securities (Collective Investment Schemes and Closed End Funds) Regulations 2008 made under the Securities Act 2005 by the Financial Services Commission.

The Fund may not invest more than 20% of its Net Asset Value in any single collective investment scheme and / or listed exchange traded fund. The aggregate value of the Fund's investment in other collective investment schemes and / or exchange traded funds may not exceed 80% of its Net Asset Value.

The Fund shall not acquire more than 50% of the shares of any single collective investment scheme and / or listed exchange traded fund and / or listed investment trust.

The risk profile of the collective investment schemes in which the Fund invests must be characterised by either:

- (a) Being authorised and approved by the South African regulator under the applicable collective investment schemes legislation as may be amended from time to time;

or

- (b) If not authorised or approved by the South African regulator under the applicable Collective Investment Schemes legislation as amended from time to time, it must meet the approval criteria as prescribed by the South African regulator.

2.5. Base Currency

The base currency of the Fund is US Dollars (“USD” or “US\$”). The Fund may consist of various classes in various currencies.

2.6. Dividend Policy

Pursuant to the prospectus, the company may issue distributing and accumulating share classes. The Company will not declare dividends and distributions will not be made in respect of accumulating share classes; and income and other profits will be accumulated and reinvested. Dividends declared on distributing share classes will be paid out of the total income of the applicable share class net of any relevant expenses. Dividends will normally be declared on the shares of distributing share classes with a view to being paid either monthly, quarterly or semi-annual frequencies. The details regarding the distribution frequencies of various share classes shall be disclosed to investors and prospective investors.

3. INVESTMENT MANAGEMENT

3.1. Investment Advisor

The Manager may appoint an Investment Advisor, subject to oversight and overall control being exerted by the Manager at all times.

3.2. Sub-Investment Manager

The Manager may appoint a sub-investment manager, subject to oversight and overall control being exerted by the Manager at all times.

3.3. Investment Licensee

The Manager may appoint an Investment Licensee to provide intellectual property and related services in respect of the theme of the fund.

4. SUBSCRIPTION AND REDEMPTION OF SHARES

4.1. Subscription

There are no minimum initial or additional subscriptions. The Company may from time to time determine the minimum amount in value or number of any holding of Cell Shares.

The application form to subscribe must be completed and received by the Manager in accordance with the procedures set out in the Prospectus by no later than 16:00 (Mauritius time) on the relevant Dealing Day, with cleared funds received by the Settlement Date. However, the Directors may, at their discretion, allow investors to make payment for subscriptions after these periods.

If payment in full has not been received by the Settlement Date, or in the event of non-clearance of funds, any allotment of participating shares made in respect of such application may, at the discretion of the Directors, be cancelled.

If cleared funds are not received on the Settlement Date, any interest costs and/or directly related charges will be reimbursed by the subscriber unless otherwise agreed by the Directors at their absolute discretion. In addition, the Directors will have the right to sell all or part of the investor's holding of participating shares in the Fund or any other fund in order to meet those costs.

4.2. Redemption

Cell Shares will be redeemed in the currency denomination of the relevant class at the Redemption Price (the "**Redemption Price**") calculated in respect of the Dealing Day at which the redemption is sought.

Written notice to redeem must be received by the Manager by no later than 16:00 (Mauritius time) on the relevant Dealing Day, subject to any liquidity constraints applicable to the Fund's investments, payment of the redemption proceeds will usually be effected by the Settlement Date.

Further details of the share dealing policies and procedures in respect of the participating shares including the timeframes for the issuance of contract notes, are set out in the Prospectus of the Company.

5. FEES, CHARGES AND EXPENSES

The fees mentioned in this section are subject to review by the Company and may be amended from time to time in writing between the parties. Fees exclude any VAT that may be applicable.

5.1. Directors' Remuneration

Each Director receives a fixed annual fee for serving in such capacity. The fee will be in accordance with reasonable and customary directors' fees.

Directors' fees are not paid out of the Fund but are paid for out of the fees levied by the Manager and the Company.

5.2. Establishment Costs

The costs and expenses associated with the organisation and the initial offering of participating shares of the Fund have been paid by the Manager. An agreed amount is to be levied and recovered from the Fund over an agreed timeframe not exceeding the first 5 years of the Fund's operation.

5.3. General Administration Fees

For performing and supervising the performance of corporate and administrative services necessary for the operation and administration of the Company, a General Administration fee will be levied to cover the fees of the Company Secretary and other miscellaneous operating costs. This fee will be paid monthly in arrears at such rate as may be agreed between the Manager and the Fund.

The Company Secretary will also be reimbursed for all reasonable out-of-pocket expenses agreed to in advance with the Fund.

This fee will be agreed from time to time and levied and accrued at each valuation date. It may be subject to a fixed minimum or levied as a percentage of assets, or a combination of a fixed fee and a percentage of assets-based fee.

5.4. Management Fees

For providing investment management services to the Company, the Manager will receive a fee of up to 2% of AUM, subject to a fixed annual minimum fee or a monthly fixed fee as agreed from time to time. The fund may pay the Sub-Investment Manager, if applicable, such fees out of the assets of the fund.

This fee is an annual fee and will be paid monthly in arrears and may be reduced by agreement in writing between the Manager and the Company from time to time. The Manager may in the future establish different share classes, with each class attracting different management fees.

5.5. Fees of the Investment Licensee

For providing intellectual property and related services to the Manager and the Company, the Investment Licensee will receive a fee of up to 1% of AUM, subject to a fixed annual minimum fee or a monthly fixed fee as agreed from time to time.

This fee is an annual fee and will be paid quarterly in arrears and may be reduced by agreement in writing between the Investment Licensee and the Manager and Company from time to time.

5.6. Administration Fees

The Manager will receive a fee for the administration of the Fund.

This fee will be agreed from time to time and levied and accrued at each valuation date. It may be subject to a fixed minimum or levied as a percentage of assets, or a combination of a fixed fee and a percentage of assets-based fee.

5.7. Investment Distribution Fees

For providing investment distribution services to the Company the Distributor will receive an annual fee of up to 2% of AUM. This fee will be paid monthly in arrears and may be reduced by agreement between the Manager and the Company from time to time.

5.8. Fees of the Custodian

For providing the services as a custodian to the Company, the Custodian will receive a fee in respect of Cell Shares.
